I mustn't.
I can't just
do things
like that
out of the
blue these
days.

Ah... shit.
I'm really
starting to
lose it...

I mean,
he'd get
mad if I
did it right
now.

the muscles
of his shoulder
will shiver.
If I bite them,
he'll moan
and that would
be so good.

If I lick
him,

But if I did,
I'd probably
keep at it
until I was
loosening
him up. No,
I definitely
would.

I want to
grab him,
work my
hand from
top to
bottom...

Hmm, a jab?
In that case...
Gently...
gently...
gently.

Before, it
wasn't so
different to
throwing
a jab.

**KEI
DISCOVERED
THE
FEELING
KNOWN AS
DESPAIR.**

Okay.

Reflex

Oops.
So close!

Take
this to
the
table.

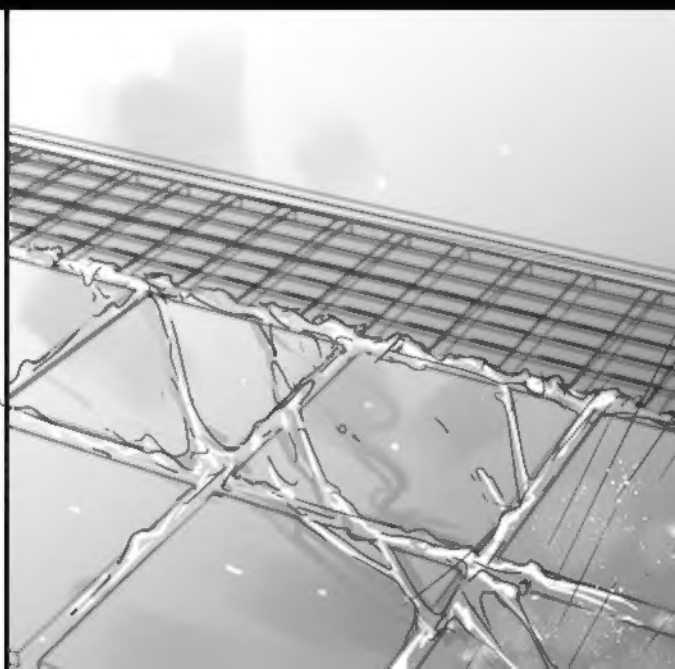

Mmm,
nope.

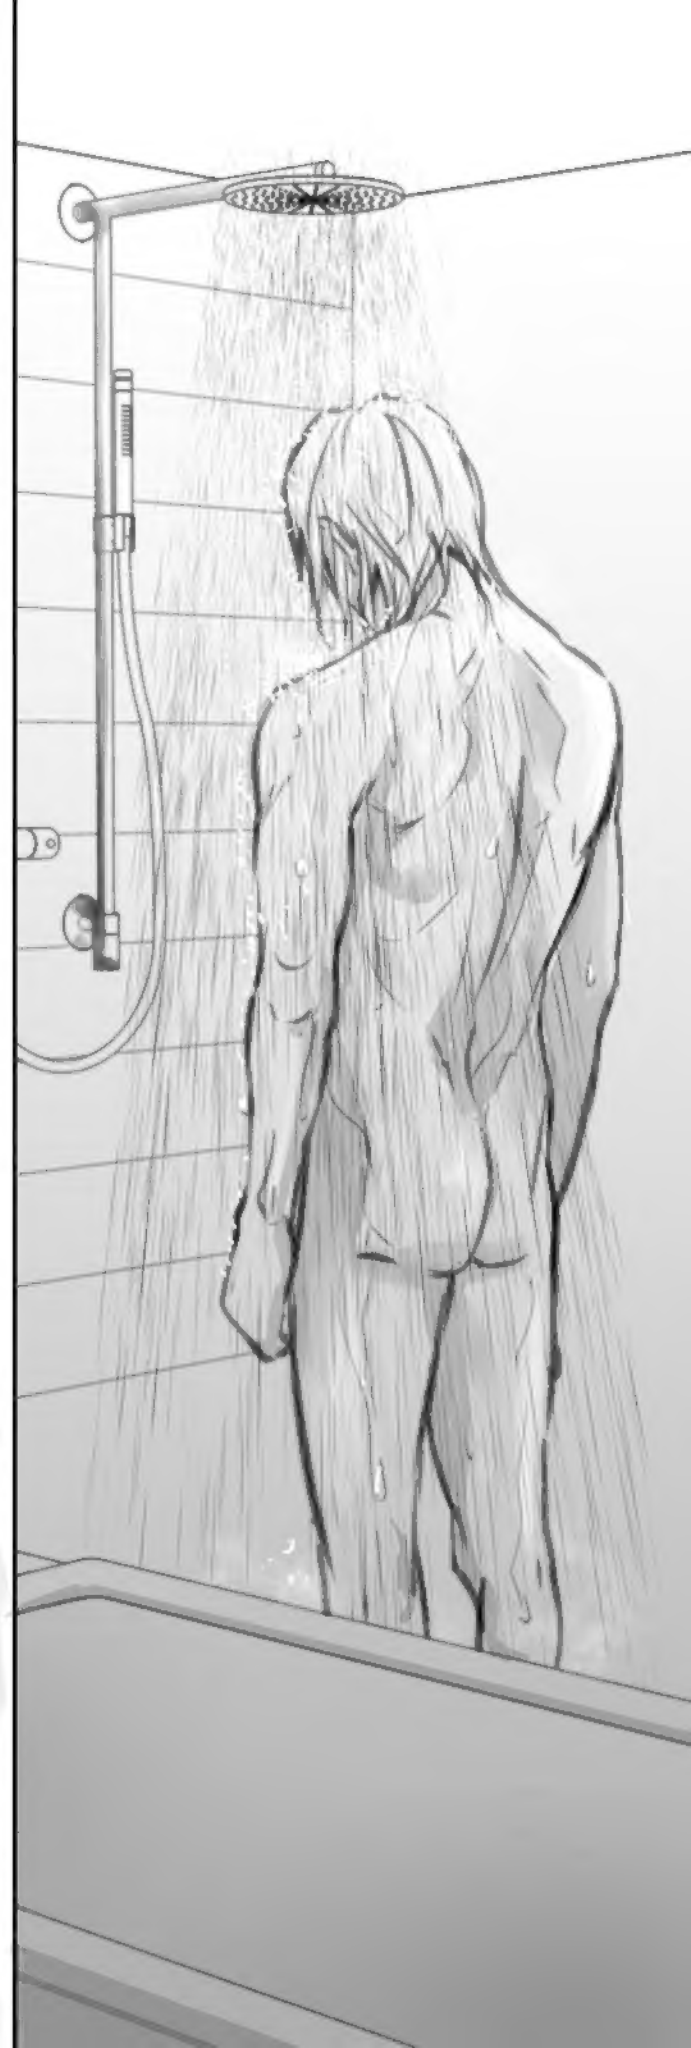

Kei still
thought
there
were all
kinds of
things he
wanted
to do to
him.

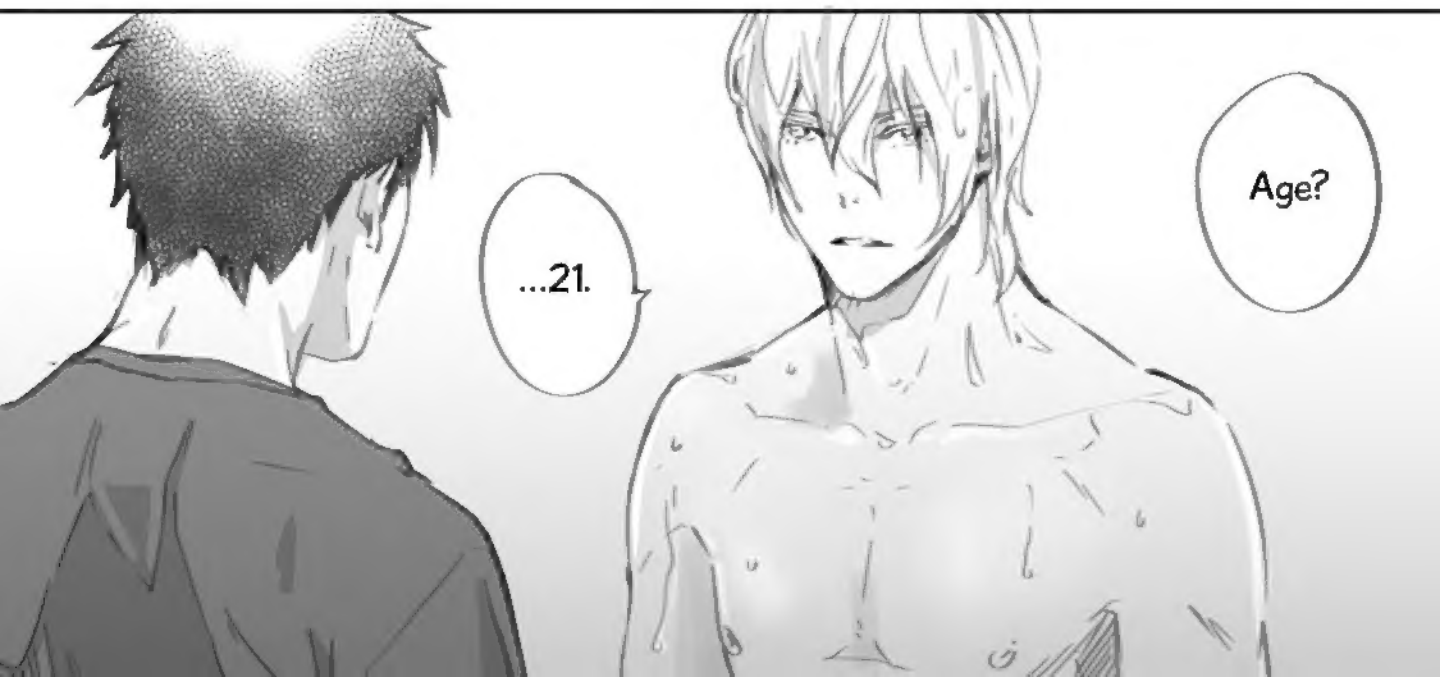

Kei
learned
about being
treated with
affection.
Kei learned
too about
caresses
unrelated
to sexual
desire,

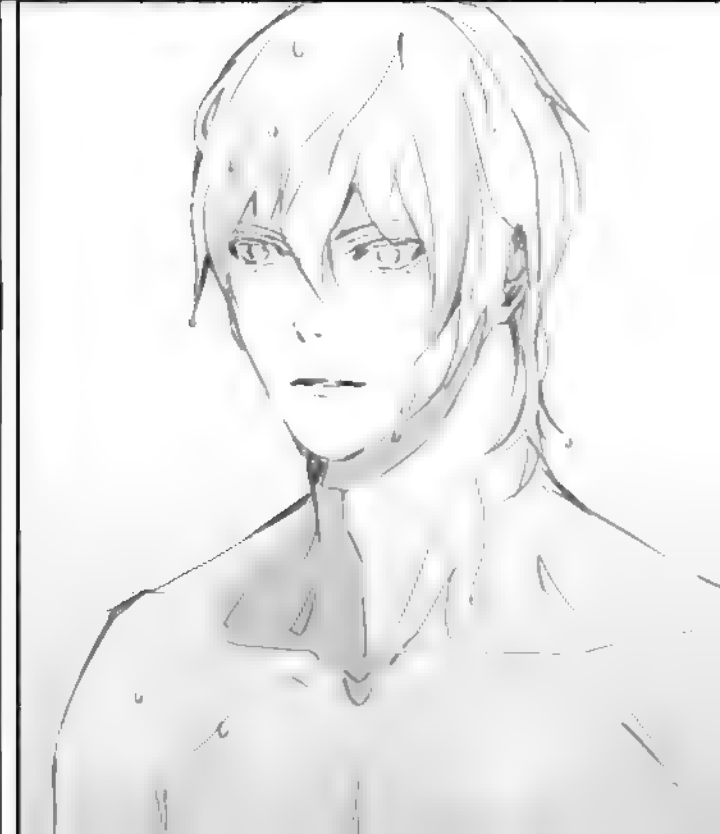

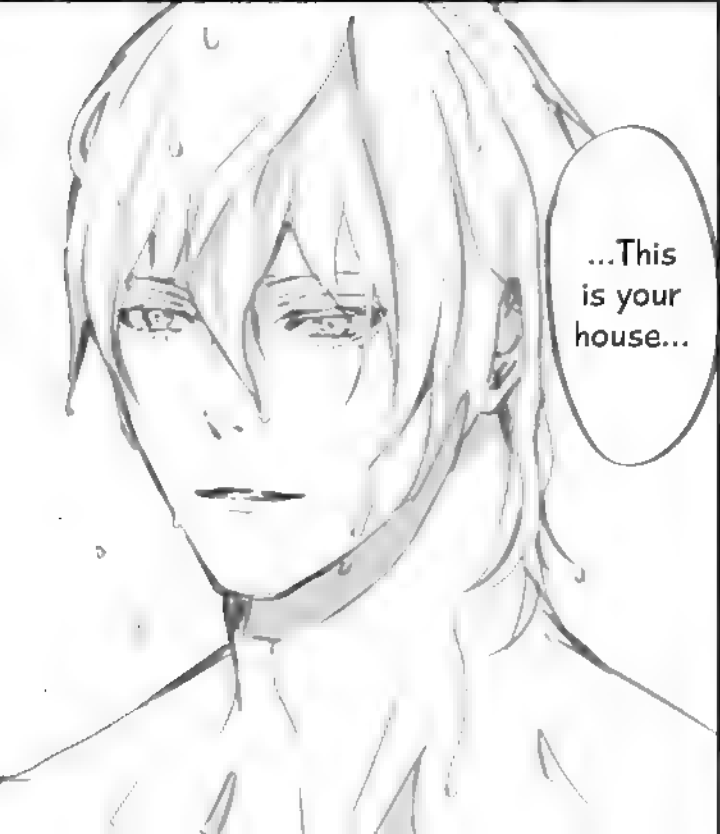

That's right.

I'm turning on the hot water.

Did I... go somewhere?

...I got in here because I was too hot.

Hmm?

Yeah, probably.

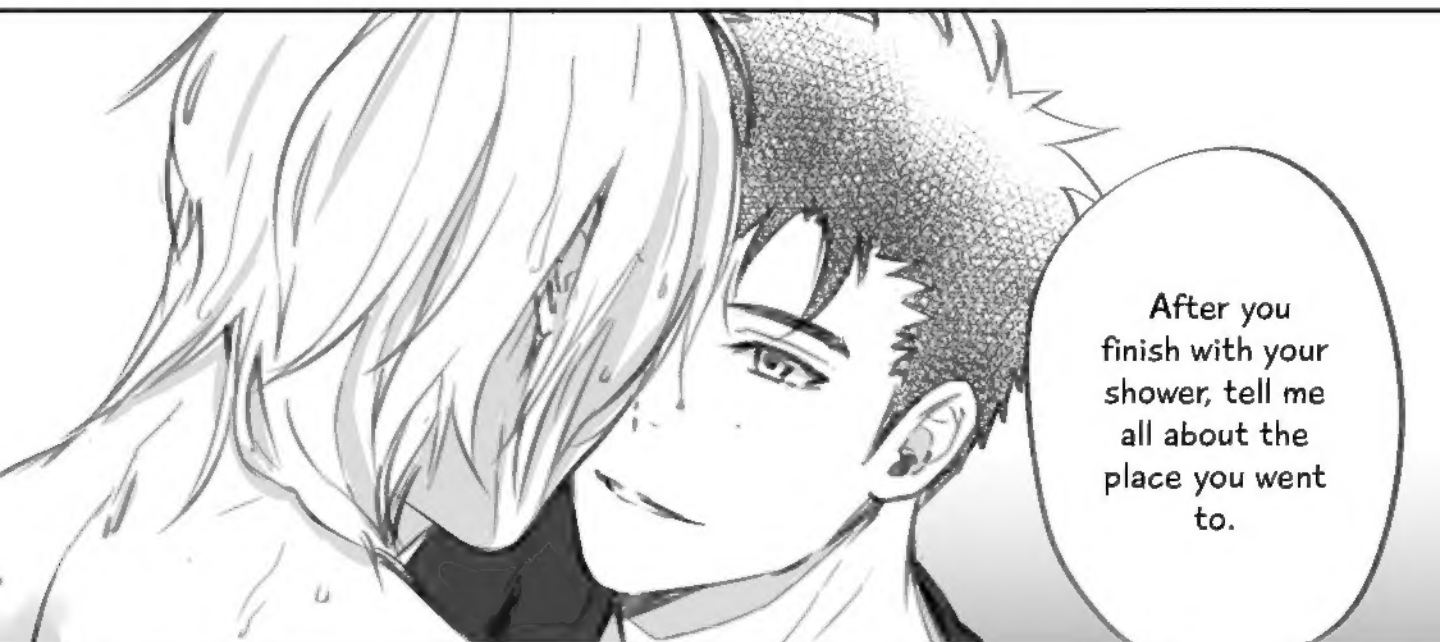

How long have you been standing under the cold water?

Your body's freezing cold.

I came
to get you,
didn't I?

After you
finish with your
shower, tell me
all about the
place you went
to.

That way,
you'll slowly
make peace
with it...

And you'll
surely reach
the point
some day
where you
never go
somewhere
else.

"I don't really get it, are you going to kiss me? Are you not? Or are you going to?"

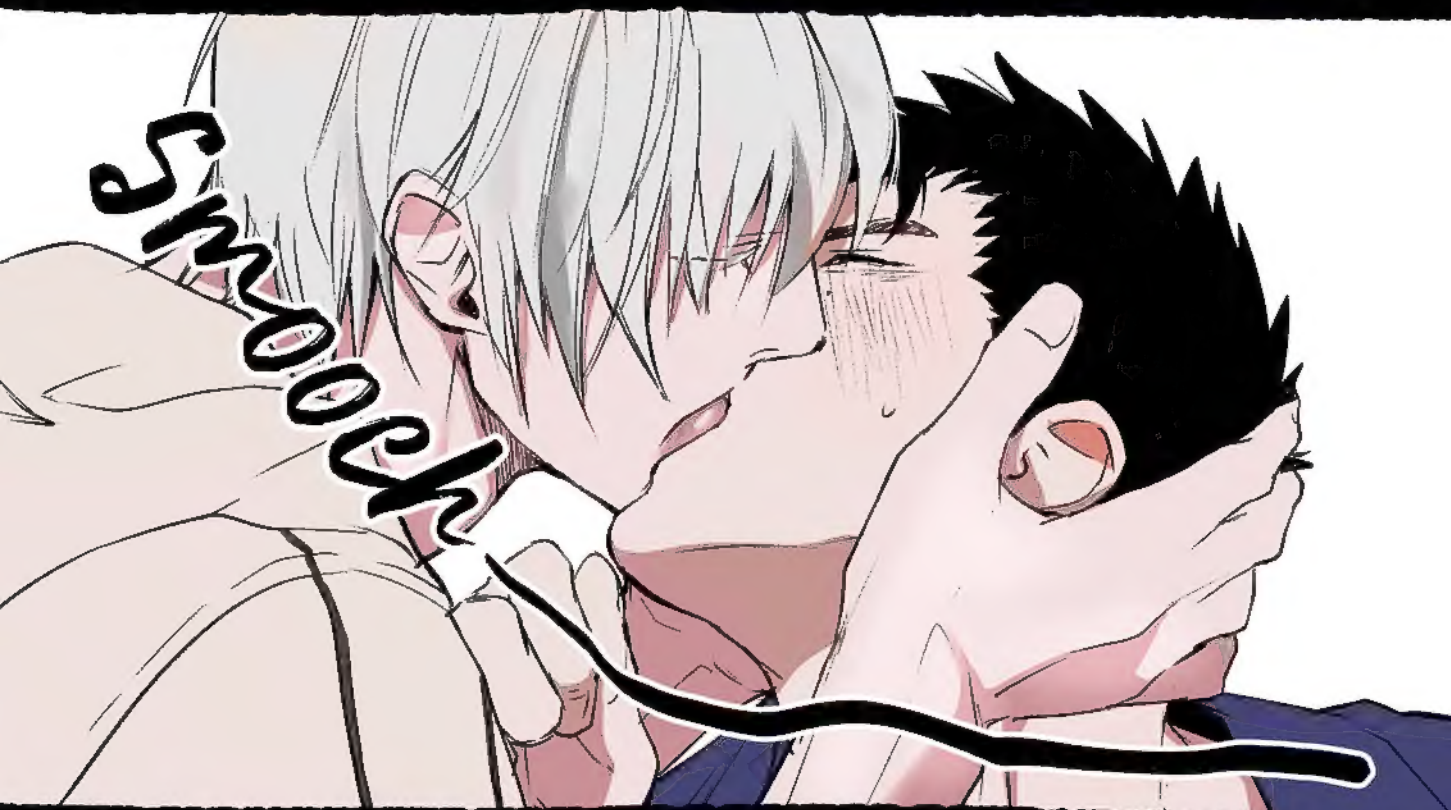

Ah.

?

...Never-mind!

Smooch

ALMOST FORGOT.

I was asking you to... It's not like...

...
